At ClearClick®, we try to make our technology as clear to understand and use as possible. But if you get stuck at any point, you qualify for FREE USA-based tech support as a ClearClick® customer. Just email us at: [support@clearclick.tech](mailto:support@clearclick.tech)

(Make sure you explain your issue in detail and tell us that you're using our ClearClick® AM/FM Retro Radio). Our USA-based tech support team members will normally reply to you within 24-48 business hours.)

## **QUICK START – Listening To AM/FM Radio**

1. Plug the power adapter into the back of the radio. Plug the other end into any electrical outlet.
2. Switch the left knob to either “AM” or “FM.” Turn on the power switch. The power LED will light up red.
3. Use the tuning knob to select your desired radio station.
4. Use the volume control knob to adjust the volume.

Note: To improve the reception of your radio, adjust the pigtail antenna in the back of the radio.

## **QUICK START – Playing Music via Bluetooth**

1. Plug the power adapter into the back of the radio. Plug the other end into any electrical outlet.
2. Switch the left knob to “BT.” The Bluetooth indicator LED will light up blue.
3. On your phone, tablet, or other Bluetooth device, turn on Bluetooth and scan for devices. Connect to the “Vintage Radio” device.
4. Use the volume control knob to adjust the volume. (Note: You may also need to adjust the volume on your phone or tablet.)
